

## PRODUCT DESCRIPTION

- INGOZ is a brand name for pre-cut gauze.
- It contains no colored material and 100% cotton.
- It comes in two versions: Pre-cut Sterile or Non-sterile.
- It is typical cotton fiber with obvious tensile-resistance property and good absorbency.
- It is used to assist hemostasis and protect the wound in the case of bleeding after suture of surgical incision or other wounds.
- The pre-cut gauze appears neutral which will not bring chemical reaction with acid, alkali.
- The evaluation process was based on ISO 10993-1: 2009 in ensuring a systematic approach to biological evaluation of medical devices.
- Comply with standard British Pharmacopoeia 1998 (BP 98), the requirement for gauze material used in surgical dressings.
- Registered with Medical Device Authority of Malaysia.
- Registered Under Act 737.
- MDA. Registration No.: GA6875023-156085 & GA 1395623 156951.
- MDAMD No. XXX.
